Children's author and creator of Zibbs & Wobble from Planet Oddaloop.

Use this media kit to accurately describe Victoria Gelman, Zibbs & Wobble, Planet Oddaloop, and the first book in the series.

About Victoria Gelman

Victoria Gelman creates funny, whimsical children's books and activities from Planet Oddaloop, a goofy little world where mistakes, silly ideas, and mixed-up plans are treated like normal everyday life.

Her first picture book, *Zibbs & Wobble Fix the Moon*, introduces Zibbs, the tiny mastermind with a very official plan, and Wobble, the cheerful chaos-maker who almost understands it. Together, they stumble through strange little problems, silly misunderstandings, and odd adventures built for read-aloud fun.

Victoria continues to expand the *Zibbs & Wobble* series with more picture books and activities for kids.

About Planet Oddalooop

Planet Oddalooop is a silly little world where mixed-up plans, strange problems, giggling puddles, sneezing flowers, and bedtime clouds are part of everyday life.

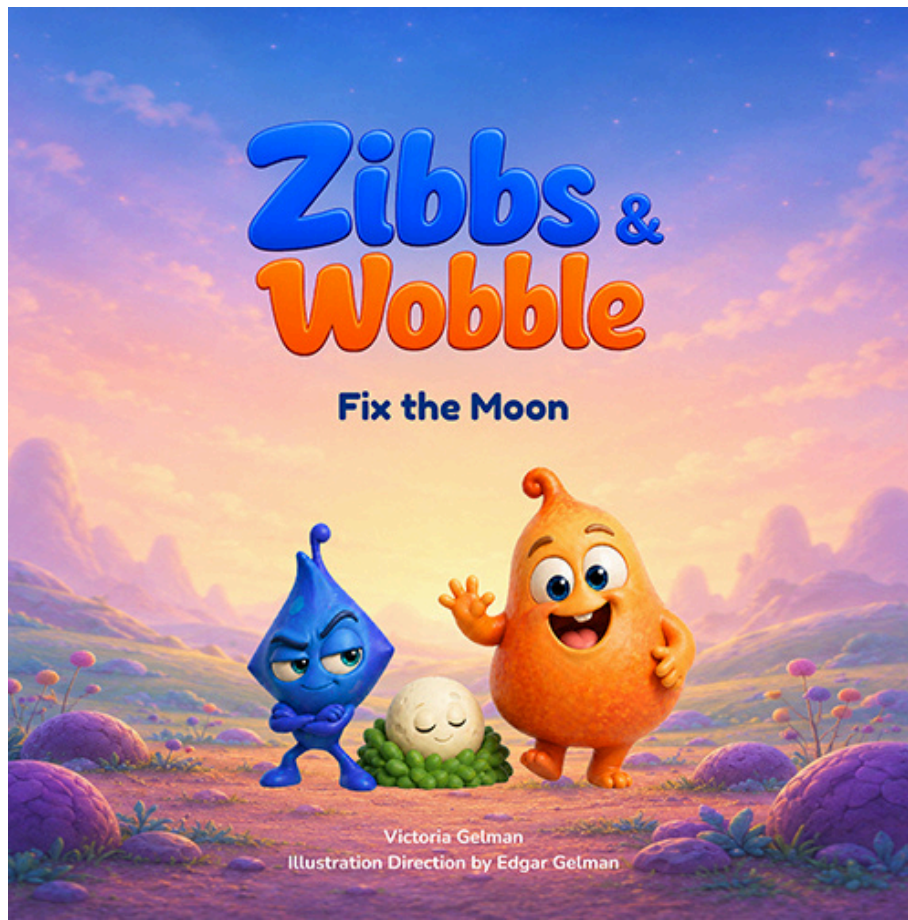

It is the home of Zibbs and Wobble, two oddball friends who turn mistakes into adventures.

Zibbs has the plan.

Wobble almost understands it.

Somehow, they both make it work.

Book Description

In Zibbs & Wobble Fix the Moon, bedtime on Planet Oddaloop cannot continue because the moon has ended up sleeping in a bush.

Zibbs, the tiny mastermind, declares it a Level Seven Moon Emergency and immediately starts making plans. Wobble, the cheerful chaos-maker, is ready to help, even if he almost understands what is happening.

Their first adventure is a funny, whimsical picture book for kids who enjoy silly problems, strange surprises, odd little characters, and read-aloud stories with a playful twist.

A funny read-aloud adventure from Planet Oddaloop for kids ages 5 to 8.
